Rozi a Police girl ,Last time she was admitted in hospital from 14 September -2020 .Doctor continuously kept trying to support her health but her condition was getting worse day by day and she passed away on 22 of October 2020.

Very sad moment “ Rozi called her father 3 times form hospital but he did not come to see her. Rozi’s father only replied that he will not come to take her back home because she ran away from home with a boy.

After her death we informed and sent pictures and documents to head person of her village in Bihar.

Child welfare Committee also supported us to take her body for last ceremony.

Luckily Swaleha begam” **staff of Shanti Niketan is Muslim lady** “ and Rozi was Muslim girl. Swaleha helped me to do Rozi’s last ceremony in Muslim way. From Swaleha’s neighborhood some Muslim people carried her dead body to get buried at cremation place.
